# Our Story

---

Driving Academy was established to create the best learning environment for all our students. Since driving is something we take very seriously. Our founder came from a family of teachers and professional CDL drivers. He has, practically, grown up in this business and, teaching and driving is in his blood. Our founder has developed a system of driver education that can help even the most challenged students. He has truly taken this industry by storm by putting fundamental education before anything else.
